

## MEMBERS in the News

**Mina Bissell**, of the Lawrence Berkeley National Laboratory, an ASCB member since 1973 and ASCB President in 1996–1997, received the 2011 Jill Rose Award from the Breast Cancer Research Foundation.

**Titia de Lange**, of The Rockefeller University, who first became an ASCB member in 1992, is the 2011 recipient of the Vilcek Prize in Biomedical Science.

**Timothy Hunt**, of the London Research Institute, an ASCB member since 1987, is one of seven new members of the European Research Council's Scientific Council appointed by the European Commission.

**Anthony Hyman**, of the Max Planck Institute of Molecular Cell Biology and Genetics, an ASCB member since 1996, was awarded the 2011 Gottfried Wilhelm Leibniz Prize, the highest German research prize.

**Thoru Pederson**, of the University of Massachusetts School of Medicine, an ASCB member since 1966 and current ASCB Treasurer, was awarded the Medal of the First Faculty of Medicine, Charles University in Prague.

**Helen Pivnicka-Worms**, an ASCB member since 1991, has been named head of the Department of Cell Biology and Physiology at Washington University School of Medicine in St. Louis.

## In Memoriam

We note the recent passing of ASCB member James F. Dee, and express our condolences to his family, friends, and colleagues. ■

## Correction

The title of the feature “ASCB Members Elected as American Academy of Arts & Sciences Fellows” (*ASCB Newsletter* 34[2], 25) was incorrect. The members listed were in fact elected as American Association for the Advancement of Science Fellows. ■

## MEMBER Gifts

The ASCB is grateful to the following member who has recently given a gift to support Society activities:

Robert Lindner

## 2011 Half-Century Fund Donors

The ASCB is grateful to the following donors\* whose contributions support Society activities:

### Gold

Kenneth Yamada
