

# FREE REGISTRATION FOR HIGH SCHOOL TEACHERS

Join scientists and educators at the Pennsylvania Convention Center, from December 11-15, 2010, at the largest international annual meeting in cell biology.

## Highlights Include:

- ☉ K-12 Workshop: *Cells, Cell Communication, and Stem Cells: Teaching Resources.*
- ☉ Education Workshop: *Process Oriented Guided Inquiry Learning (POGIL): A Student-Centered Approach to Instruction*
- ☉ Cell Motion BioBus, a nonprofit, mobile microscopy laboratory in the ASCB Exhibit Hall.
- ☉ Minisymposium: *Cell Biology Education: Where's the Math?*
- ☉ Keynote: *Improving Cancer Chemotherapy: How Can a Basic Scientist Contribute?*
- ☉ Education Initiative Forums
- ☉ Science Education Poster Presentations
- ☉ Educational Resources Booth

## For high school teacher complimentary meeting registration contact:
