# AUTHOR DISCLOSURES

The ASCB requires that audiences be informed of presenters' (speakers, authors, and contributors) academic and professional affiliations, and disclosure of any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) discussed in a presentation. This policy allows the listener/attendee to be fully informed in evaluating the information being presented. Disclosure includes any relationship that may bias one's presentation or which, if known, could give the perception of bias. These situations may include, but are not limited to: 1) stock options or bond holdings in a for-profit corporation or self-directed pension plan, 2) research grants, 3) employment (full-or part-time), 4) ownership or partnership, 5) consulting fees or other remuneration, 6) non-remunerative positions of influence such as officer, board member, trustee, or public spokesperson, 7) receipt of royalties, and 8) speakers bureau.
