

Apoorva Mandavilli
HEALTH AND SCIENCE REPORTER
THE NEW YORK TIMES

Apoorva Mandavilli is a reporter for The Times, focusing on science and global health. She is the 2019 winner of the Victor Cohn Prize for Excellence in Medical Science Reporting.

She is the founding editor in chief of Spectrum, an award-winning news site on autism science that grew an audience of millions. She led the team there for 13 years. She joined The Times in May 2020, after two years as a regular contributor.

Apoorva has won numerous awards for her writing. Her work has been published in The Atlantic, Slate and The New Yorker online, and in the anthology "Best American Science and Nature Writing."

She co-founded Culture Dish, an organization dedicated to enhancing diversity in science journalism, and was the founding chair of the Diversity Committee for the National Association of Science Writers. Apoorva has a Master of Arts degree in journalism from New York University and a Master of Science degree in biochemistry from the University of Wisconsin-Madison. She is fluent in English, Hindi, Tamil, Telugu and Kannada.
